

THE  
NATIONAL  
MUSEUM

# AHOY THERE, MATEYS!

Set Sail for an Unforgettable Pirate Adventure at the National Museum of the Royal Navy in Hartlepool!

Gather your crew and embark on a fun journey with our pirate-themed kids' parties, perfect for the bravest young adventurers. Dive into a world of swashbuckling action, fascinating history, and non-stop fun that will leave your little pirates talking about it for months!

Only £13  
per child!

## WHY CHOOSE OUR PIRATE PARTIES?

- **Interactive Adventure:** Every party is a thrilling experience filled with activities designed to engage and excite aspiring pirates!
- **Historical Exploration:** Step aboard the majestic HMS Trincomalee and learn about life onboard a real ship, as well as access to our Horrible Histories® Pirates exhibition
- **Epic Battles:** Train with our Cutlass Class and engage in friendly battles on our adventure playship. Your crew will love mastering the art of sword fighting in a safe and fun environment.
- **Exclusive Party Room:** After all the adventures, retreat to your private party room for a hearty feast of pizza or hotdogs. Enjoy unlimited juice refills to keep the energy high.
- **Special Gifts:** The birthday boy or girl will receive a special gift – choose between a Pirate Hat or a Pirate Activity Book. Plus, additional gifts can be purchased for the rest of the crew.
- **Free returns:** Children can revisit the museum for free for up to 12 months after the party, when accompanied by a paying adult.

Join us for a swashbuckling good time that your little pirates will never forget!

## PERFECT FOR EVERY PIRATE-LOVING CHILD:

- **Age Range:** Ideal for ages 4 and up
- **Group Size:** Minimum party size of 12 children
- **Flexible Timing:** Choose between a morning (11am-1pm) or afternoon (2pm-4pm) slot to best fit your schedule.

All This Fun for  
Only £13 Per Child!
